### Multi-professional use

e-ELCA is relevant to all professionals involved in delivering end of life care. It covers a range of pertinent themes, from clinical topics to communication skills and spiritual care.

### Peer-reviewed content

The high-quality content has been written and peer-reviewed by leading experts in the UK, and endorsed by the Association for Palliative Medicine of Great Britain and Ireland.

### Multimedia features

e-ELCA includes highly interactive and engaging content, with images, videos, real-life case studies and questions.

### Real-life scenarios

Practitioners can explore sensitive issues and test out how they would react in certain scenarios with interactive exercises.

### Flexible learning

e-ELCA is available anywhere, at any time – via the Internet.
