

How do I register for a Carers Portal account?

1. Go to: carers.e-lfh.org.uk

The screenshot shows the homepage of the Carers Portal. The browser address bar displays carers.e-lfh.org.uk. The page features a navigation bar with a 'Live Chat' icon, a search bar labeled 'Search the e-learning', and the NHS Health Education England logo. On the left, there is a login form with fields for 'Username' and 'Password' (marked as 'case sensitive'), a 'Remember me?' checkbox, and a 'Log in' button. Below the password field is a link for 'Forgotten username or password?'. On the right, a main content area titled 'Contributing to the revolution in healthcare training in the UK' contains a paragraph of text and two buttons: 'Browse our catalogue' and 'Register'.

2. Select the Register button

This screenshot is identical to the one above, but the 'Register' button in the main content area is highlighted with a blue rectangular border, indicating the next step in the registration process.

- Type in your email address twice and select Register. Please note, you can use either your personal or work email address.

Registration

Ideally you should provide a work email address so that your registration results in the most appropriate access to e-learning content

NOTE: If you choose to use a personal email address the available e-learning content should be sufficient for volunteers or for those registering for personal use.
