

## Rapid Access List of Resources

## Profile

I am a **Paediatric Nurse** or **Health Visitor**, working in the **Community**

I want to revise bronchiolitis signs, symptoms assessment & management.

## Time to complete

Fundamentals **1 hrs, 11 min**

Extension **0 hrs, 25 min**

**Please note:** The linked resources below require an **elfh** account. You can learn how to register on the [Respiratory Surge in Children programme page](#).

## Fundamentals:

- |           |  |                    |               |
|-----------|--|--------------------|---------------|
| <b>1</b>  | <b><a href="#">The Decision Maker's Guide to Bronchiolitis Assessment</a></b><br>Introduction to RSV.  | <b>Web Blog</b>    | <b>15 min</b> |
| <b>2</b>  | <b><a href="#">Baby with increased work of breathing (RCUK)</a></b><br>An at a glance resource describing mild bronchiolitis and management, ideal for prehospital and community or primary care practitioners.  | <b>Video</b>       | <b>1 min</b>  |
| <b>3</b>  | <b><a href="#">Healthier Together Video Clips of abnormal clinical signs in babies related to breathing</a></b><br>SKILL: Respiratory assessment - Various clips of respiratory distress   | <b>Video</b>       | <b>10 min</b> |
| <b>4</b>  | <b><a href="#">Bronchiolitis Pathway Clinical Assessment / Management Tool for Children Younger than 1 year old with suspected Bronchiolitis</a></b><br>A single page flow diagram for healthcare professionals for clinical assessment and management of children less than 1 year old with suspected bronchiolitis. <b>(NB: In 2021-22 we are expecting to see children with bronchiolitis up to the age of 2 years)</b> | <b>PDF</b>         | <b>5 min</b>  |
| <b>5</b>  | <b><a href="#">Measuring Capillary refill time in an infant and child</a></b><br>SKILL: Measuring cap refill time  | <b>Video</b>       | <b>1 min</b>  |
| <b>6</b>  | <b><a href="#">Fundamentals of Bronchiolitis presentation and management</a></b><br>What is Bronchiolitis, Anatomy & Physiology, Pathophysiology   | <b>Video</b>       | <b>13 min</b> |
| <b>7</b>  | <b><a href="#">Lightening Learning Infographic on Bronchiolitis</a></b><br>Infographic for at a glance management of bronchiolitis   | <b>Infographic</b> | <b>3 min</b>  |
| <b>8</b>  | <b><a href="#">Lung Sounds</a></b><br>A video describing auscultation and the physiology behind lung sounds including stridor, wheeze, pleural rub, crackles, rhonchi.   | <b>Video</b>       | <b>7 min</b>  |
| <b>9</b>  | <b><a href="#">Paediatric assessment in the primary care setting</a></b><br><b>SKILL: Assessment.</b> A video looking at how to complete a top to toe assessment of a child in a primary care setting.   | <b>Video</b>       | <b>11 min</b> |
| <b>10</b> | <b><a href="#">Remote assessment pathway for Children under 1 with a cough</a></b><br>1-page chart including green, amber, and red pathways  | <b>PDF</b>         | <b>5 min</b>  |
